NEWS RELEASE

February 8, 2005 – United Carina Resources Corp. (TSX Venture - UCA) and Consolidated Pine Channel Gold Corp. (TSX Venture - KPG) (the “Companies”). Further to the Companies’ news release of December 13, 2004, the Companies have filed a statement of claim in Saskatchewan’s Queen’s Bench Court regarding the ownership of seven mineral claims in the Fort a la Corne area of Saskatchewan. One of the mineral claims contains a kimberlite pipe known as the “Carolyn”. In addition, the Companies have registered notices of dispute on each of the seven claims with the Saskatchewan Industry and Resources so as to preclude transfer of the claims prior to resolution of the Companies’ claim. Further information on the status of the ownership of these claims will be released when available.
