

United Uranium Corp. issues a statement of claim against Purepoint Uranium Group Inc.

February 28, 2008 - Saskatoon, Saskatchewan - United Uranium Corp. (UUC-TSX Venture). The Corporation today issued a Statement of Claim in the Saskatchewan Court of Queen's Bench naming Purepoint Uranium Group Inc. ("Purepoint") as a defendant.

The Statement of Claim arises out of certain mineral claims located in the Hatchet Lake area of Saskatchewan (the "Claims"). The Corporation asserts that it has an agreement with Purepoint whereby Purepoint would stake the Claims, and thereafter each party would own 50 percent of the mineral disposition (the "Mineral Disposition"). Purepoint has denied that such an agreement exists.

The Statement of Claim alleges, among other things, breaches of contract and misrepresentations by Purepoint towards the Corporation. The Corporation is seeking a declaration that it owns 50% of the Mineral Disposition, together with damages for breach of contract and negligent misrepresentation.
